

# Pathways to Success:

## Virtual Graduate Summit and Career Expo

### September 28-29, 2022

Want to hear from biopharmaceutical leaders and learn more about what it's like to work in the industry?

PhRMA will be hosting a two-day, free virtual summit for undergraduate and graduate students, postdoctoral trainees, faculty, PhRMA member companies and other community partners to learn about career pathways and increasing diverse talent within the industry.

### Industry Recruiters, Breakout Rooms, an Exhibition Hall and More

Join us online to hear about the industry's **latest innovations**, **learn about career options** and **connect with the leading biopharma research companies**. This is a unique opportunity for students and faculty from diverse backgrounds to engage with biopharma recruiters and employees who are at different stages of their careers, discover potential internships and career opportunities, and learn about other pathways to the industry.

Participating companies will allow attendees to explore biopharma opportunities in:

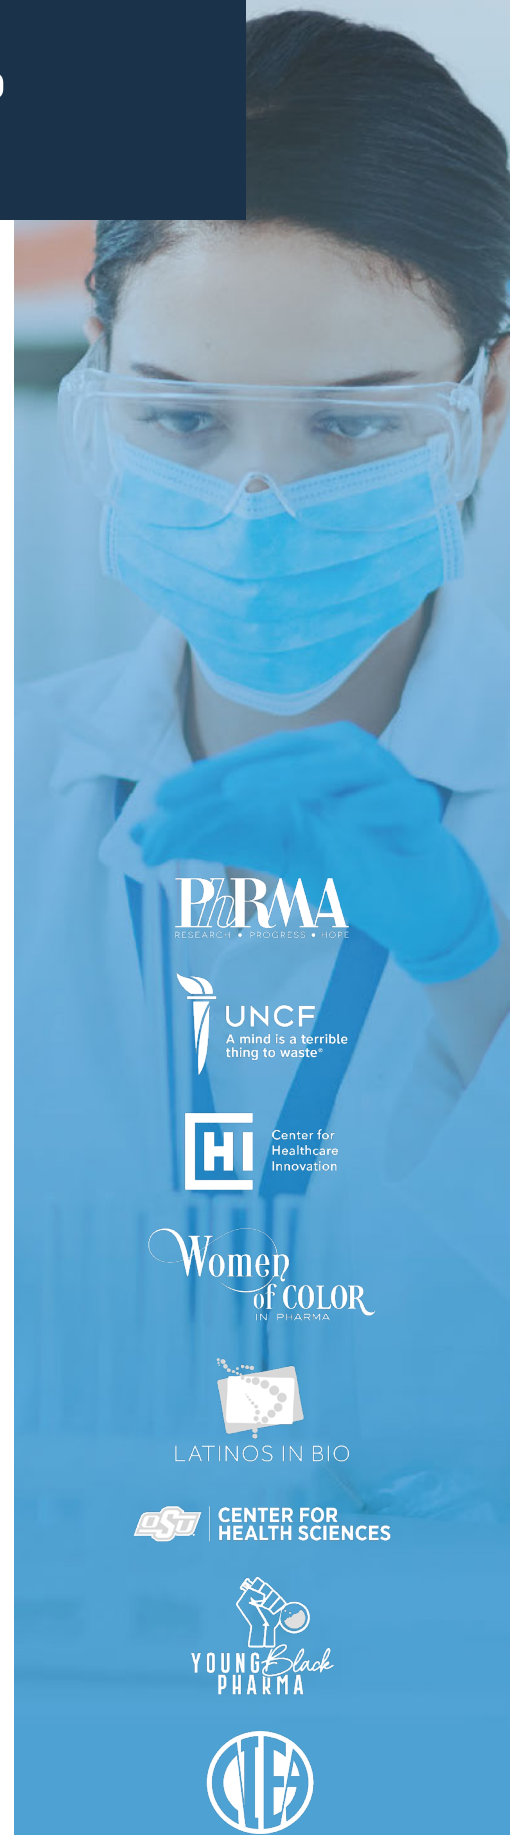

- Research
- Marketing
- Accounting
- Technology
- Legal
- And more

### PhRMA's Equity Initiative

This summit is hosted as part of **PhRMA's Equity Initiative** and driven by industry-wide efforts to build a representative workforce in the biopharmaceutical industry.

As an industry we have taken a **leadership role in the places where we can drive real change**: putting a health equity lens on the policies we touch, leaning in on an industry-wide initiative to enhance clinical trial diversity and opening new pathways between diverse communities and the hiring managers at our member companies. Learn more about our Equity Initiative at [phrma.org/equity](https://phrma.org/equity).
