

OnMessage Inc. Survey, August 3-5, 2021

Pre-Test (Before Ads)

- Thinking about Medicare, which of the following statements do you agree with most?
 - 42%, We should keep the law that prohibits government interference in Medicare drug plan negotiations because this law protects seniors and people with disabilities from losing access to the medicines best for their individual situation.
 - 35%, We should repeal the law that prohibits government interference in Medicare drug plan negotiations because the government could save money by directly negotiating drug prices and limiting overpriced treatments.

OnMessage Inc. Survey, August 29-31, 2021
